Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants' representative, Gina N. Shishima, was contacted via telephone by the Examiner on July 16, 2002 regarding abandonment of the referenced case due to non-reply to an Office Action allegedly mailed by the Patent and Trademark Office on November 27, 2001 ("Office Action"). Applicants' representative hereby attests to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the case history for this application (Appendix A) and the docket records of representatives Gina

25188355.1

N. Shishima and Steve Highlander, where the non-received Office communication would have been entered and docketed, (Appendix B) are attached hereto. Applicants respectfully request withdrawal of the holding of abandonment, re-sending of the Office Action, and re-setting of the time period for reply.

REMARKS

Applicants' representatives did not receive the Office Action dated November 27, 2001. Had the Office Action been received, it would have been recorded in the Case History shown in Appendix A, as well as entered into the docket records for December 27, 2001—the one month deadline—shown in Appendix B. Neither set of records indicate the Office Action was ever received.

This paper is a request made pursuant to the practices of the U.S. Patent and Trademark Office as set forth in the letter from the Commissioner of Patents to Patent Practitioners on January 1, 2002. Alternatively, and to the extent required, Appellants request that this paper be treated as a petition pursuant to 37 C.F.R. § 1.181, § 1.182, and/or § 1.183, as the Commissioner deems appropriate.

Appellants further request re-sending of the Office Action and re-setting of the time period for reply.

Because Appellants' Representative did not receive the above mentioned Office communication, it is believed that no fees under 37 C.F.R. §§ 1.16 to 1.21 are occasioned by the filing of this paper; however, should the Commissioner determine otherwise, the Commissioner is hereby authorized to deduct said fees from Fulbright & Jaworski Deposit Account No. 50-1212/UTSD:679US/GNS.

Please date stamp and return the enclosed postcard evidencing receipt of this paper.

Respectfully submitted,

Gina N. Shishima
